Journal Assembly

To create a journal for your students to take home, select the pages you want to include and print them. I suggest printing the following:

1 COVER

5-10 Journal Pages (either full page or half page with photo block)

1 Journal Idea Page

5-10 List Pages

1 List Idea Page

2 Tic Tac Toe Pages

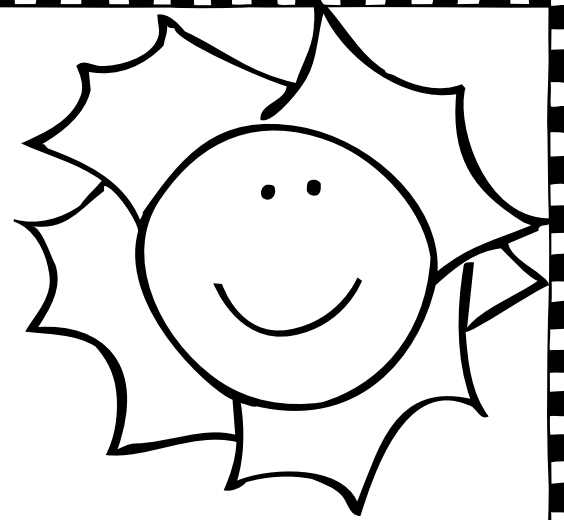

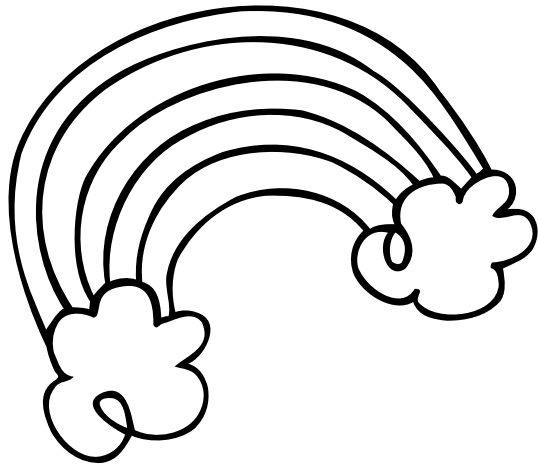

1 Word Search Page

1 Coloring Page (Ocean Animals)

3 Letter Writing Pages

Once they are printed, either staple together or use a binding machine.
